

# Backstage

*Design: Fabio Bonfà*

## *Description*

The Backstage lounge chair with essential proportions, featuring a curved wooden outer shell upholstered in leather, fabric, or woven leather. The satin brass profile defines the structure, while the stainless steel base with an elastic webbing suspension system supports a generous seat. The multi-density polyurethane, Memory Foam®, and feather padding ensure comfort.

## *Finishes & Materials*

**Seat, Backrest & Cushions Cover:** Fabric or leather.
