

Bastian

Design: Mauro Lipparini

Description

The Bastian Still lounge chair with a structured yet welcoming design, featuring a solid wood shell and multi-density polyurethane padding. The armrests and backrest are defined by decorative panels adorned with contrasting grosgrain bands and leather piping, while double-finish satin steel accents enrich the side profiles. The wide, comfortable seat incorporates Memory Foam® and feather padding for calibrated support.

Finishes & Materials

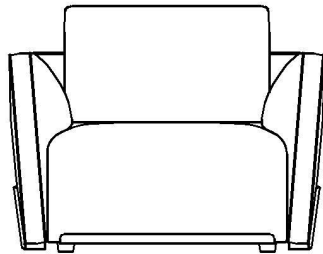

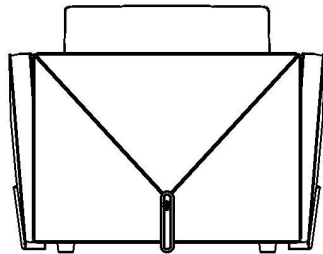

Cover, band & piping: Fabric or leather.

Details: Metal.
