

Foster

Design: Alessandro La Spada

Description

The Foster sofa upholstered in leather or fabric, built on a solid wood and multilayer frame with elastic webbing suspension. The curved volumes of the generously padded armrests and backrest embrace feather-filled cushions. The exterior upholstery of the sides and backrest is enhanced by vertical canneté quilting, drawing a refined texture across the surface. A metal-clad plinth, offered in selected finishes, completes the base with a sophisticated accent. Made in Italy.
