

## Costes *Design: Ethimo Studio*

### *Description*

The Costes Table is engineered for high-level durability across varied environments, from seaside to mountain settings. It is available in three primary configurations: a Round Table with Lazy Susan, a Rectangular Table and an XL Rectangular Table that accommodates up to 10–12 guests. Crafted from premium FSC-certified teak, the structure is built to withstand temperature drops and heavy use in both residential and contract contexts. Proudly Made in Italy.
