

Grand Life *Design: Christophe Pillet*

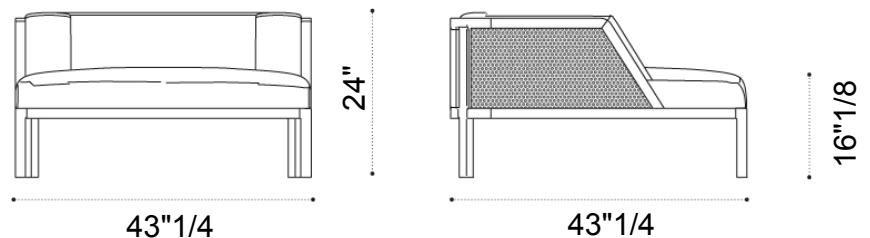

Description

This lounge chair is constructed from a durable wood frame with an internal metal core for structural integrity. The backrest is hand-finished with an intricate weave of synthetic rope, while the seating area is outfitted with plush, fully removable cushions in weather-resistant fabric. Engineered to endure various outdoor climates, from coastal humidity to intense sunlight, this piece is ideal for both luxury residential terraces and high-traffic contract projects. Proudly Made in Italy.
