Description

This regulation-sized table tennis table is built with a sturdy metal frame and a high-performance ceramic stone top. It is equipped with a specialized gaming kit that includes a net and side brackets crafted from wood, specifically natural teak. Engineered for year-round outdoor durability, the table is resistant to weather and time, and it can double as a large dining surface when the net is removed. Proudly Made in Italy.

Dimensions

Size: 107"7/8W x 60"D x 29"1/2H
