

Swing *Design: Patrick Norguet*

Description

The Swing Lounge Chair features a powder-coated aluminum structure available in Sepia Black or Warm White, combined with FSC-certified natural or pickled teak. With a compact width of 75 cm and a depth of 70 cm, it is engineered for versatility without sacrificing the comfort of its welcoming backrest. The seat is complemented by high-performance, water-repellent cushions available in acrylic or polypropylene fabrics, ensuring durability in seaside, city, or mountain environments. Proudly Made in Italy.
