

## Swing *Design: Patrick Norguet*

### *Description*

The Swing Table features a powder-coated aluminum frame available in Sepia Black or Warm White, supporting a tabletop in natural or pickled teak. The collection offers two main formats: a rectangular version for large gatherings and a round version for more intimate interaction. Its durable construction is engineered for long-lasting outdoor resistance, making it an ideal choice for high-end residential and contract environments. Proudly Made in Italy.
