Oblò

Design: Paola Navone - OTTO Studio

Description

Oblò is a suspension lamp with a strong decorative identity, available in elegant compositions of five pendants. These configurations express Lodes' expertise in modular lighting combined with the distinctive vision of Paola Navone – OTTO Studio. Inspired by the sea and the nautical world, Oblò reshapes Pyrex glass into fluid, buoy-like forms that appear to float lightly in space. Each pendant is supported by a hook-shaped frame that discreetly integrates the LED source, while the white fabric-covered cable conceals the electrical wiring, leaving the glass visually unobstructed. The five-pendant versions can be configured in a single finish for a clean, graphic look, or with a mix of colors and sizes to create more dynamic compositions. The configurations shown are only a selection, with many additional combinations available upon request. Made in Italy.

Light Source:
IP20. CE and ETL Certification. Energy efficiency D.
Dimmable TRIAC. MacAdam 3-Step.
LED and driver included.
