

Hamptons Sofa

Design: G.V. Plazzogna e R. Papparotto

Description

The modern outdoor Hamptons Sofa features a series of compositions made of an aluminum frame combined with Sunweave. Designed as part of a modular collection, it allows for flexibility and creativity when arranging the various elements. The sofa can be configured with multiple seats, with or without a lounge element, and with or without armrests. Ideal for furnishing terraces and verandas, it is suitable for both residential and contract projects.
