

## Lipari Extendable Table

*Design: Antonio de Marco & Simone Fanciulliacci*

### *Description*

The modern extendable Lipari dining table features a rectangular design with a powder-coated 304 stainless steel base and an HPL top. The new white and graphite finishes enhance its essential, modern aesthetic, with color variations that recall an outdoor feel. Crafted with high-quality materials, the table is suitable for both outdoor and indoor use and works well in residential and contract furnishing. The extendable version adjusts from 70 7/8" W to a maximum width of 90 1/2".
