

# Samba Rio Lounger

*Design: Roberti Rattan*

## *Description*

The modern Samba Rio Lounger features a powder-coated aluminum frame combined with Batyline, offering a resistant and minimal design. Clean and understated in style, it is ideal for furnishing wellness areas, spas, and poolside spaces. Suitable for both contract and private use, the lounger is also easy to stack, making it a practical solution for professional and residential environments alike..
