

## Allaperto *Design: Matteo Thun & Antonio Rodriguez*

### *Description*

This double daybed with canopy features a robust painted metal frame paired with high-quality teak. It is topped with a large, square-profile canopy and can be outfitted with high-performance linen curtains for added privacy and UV protection. The base typically consists of two individual sunbeds with adjustable backrests, providing tailored comfort for two. Engineered for high-performance durability in varied climates, this piece is proudly Made in Italy using FSC-certified wood and weather-resistant materials.
