

Laren *Design: Ethimo Studio*

Description

The Laren Bar table is constructed with a robust metal frame and features a top crafted from high-quality FSC-certified teak. Each model stands at standard bar height, and is engineered for high-performance durability in varied outdoor environments. The frames are finished in either Mud Grey or Coffee Brown painted metal, paired respectively with Pickled or Natural Teak tops. This table is suitable for both residential and heavy contract use. Proudly Made in Italy.
