

## Laren *Design: Ethimo Studio*

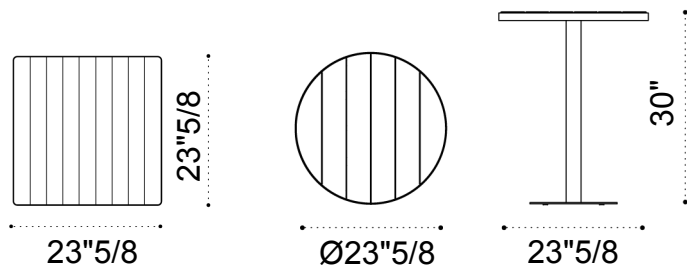

### *Description*

These tables are constructed with a robust metal base and feature tops crafted from high-quality teak. The collection is available in two main sizes for standard dining height. The frames are finished in either mud grey or coffee brown painted metal, paired respectively with pickled or natural teak slats. Engineered for high-performance durability and weather resistance, these tables are suitable for both residential and heavy contract use and are proudly Made in Italy.
