

Sand *Design: Ethimo Studio*

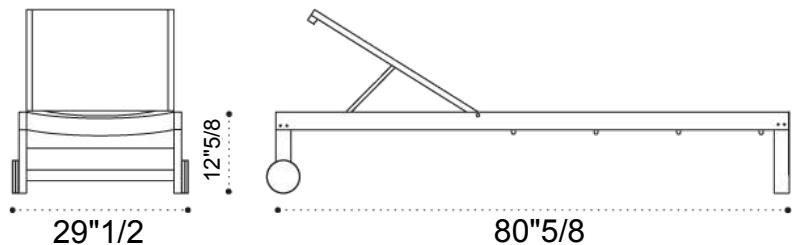

Description

The Sand Lounger is constructed with a high-quality wood (teak) frame and features an adjustable backrest with four reclining positions. It is available in three primary versions: Wooden Version with structure entirely in teak for a classic, natural aesthetic. Ethitex Version which features a central insert made of synthetic fabric (Ethitex), a durable and water-resistant plastic mesh that provides a lighter look and feel. And a Mattress Version paired with the all-teak frame, this version includes a soft, full-length mattress in weather-resistant fabric for enhanced comfort. The unit is equipped with integrated wheels under the rear legs for easy mobility. Engineered for high-performance durability in various outdoor environments, this piece is proudly Made in Italy
