

Venexia *Design: Luca Nichetto*

Description

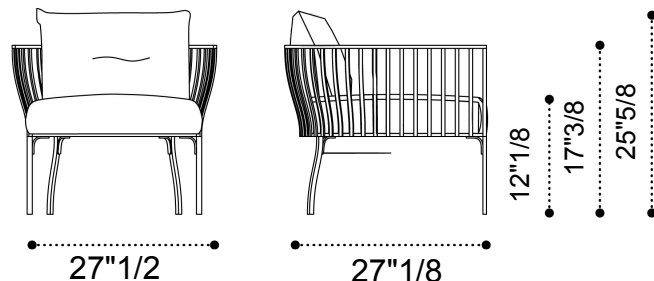

This outdoor lounge chair features a solid powder-coated aluminum frame, engineered for high durability in various environments. It is a more compact version of the standard lounge chair, designed to offer the same level of comfort and style coherence in smaller outdoor settings. The seat is outfitted with soft, waterproof cushions made from recycled materials and upholstered in high-performance, 100% outdoor acrylic fabric. Made in Italy.
