

Venexia *Design: Luca Nichetto*

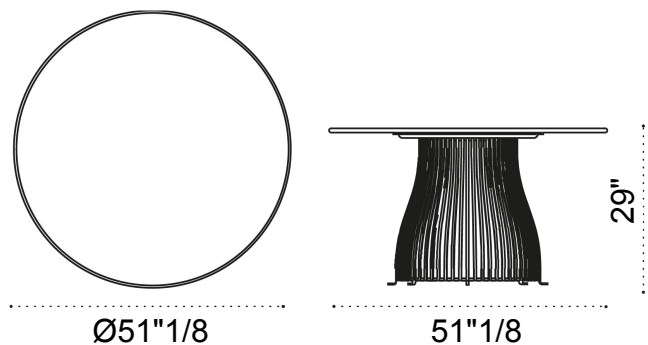

Description

The Venexia Dining Table features a robust powder-coated aluminum structure shaped with ad hoc molds to ensure uniformity and high-performance weather resistance. The large, circular tabletop is crafted from lava stone with a sophisticated finish, providing a durable, compact surface that is both scratch-resistant and UV-stable. This FSC-certified piece stands at a standard dining height and is engineered for structural stability in varied outdoor environments, from urban rooftops to seaside resorts, maintaining its timeless charm and functionality through superior craftsmanship. Made in Italy.
