

Il Pezzo 12

Design: Barbara Bertocci and Cosimo Terzani

Description

Part of the exclusive collection named Il Pezzo 12, this sculptural floor to ceiling lamp is defined by a pure vertical gesture of light that seamlessly connects floor and ceiling. Designed to transform undefined corners, passageways, or empty walls, it becomes an architectural element rather than simply a lighting fixture.

Crafted with a hand-made brass structure and solid hand-crafted crystal diffusers from Colle Val d'Elsa, it combines luxury materials with artisanal excellence. Equipped with the latest generation of dimmable LEDs, it emits a warm, generous glow that reflects softly across surrounding surfaces, creating an intimate and sophisticated atmosphere. Elegant and contemporary, Il Pezzo 12 elevates any interior with refined design and exceptional craftsmanship. Made in Italy.

Specifications / Light Source

Specifications 1 module - 1 crystal:

1 crystal • 2 replaceable LEDs - 24V DC
Flux: 592 lm - 6 W • 2.700 K - CRI > 95
Dimmable Triac/ELV/0-10V

Specifications 1 module - 2 crystals:

2 crystals • 4 replaceable LEDs - 24V DC
Flux: 1184 lm - 12 W • 2.700 K - CRI > 95
Dimmable Triac/ELV/0-10V

Specifications Composition A:

2 modules - 4 crystals
8 replaceable LEDs - 24V DC
Flux: 2368 lm - 24 W • 2.700 K - CRI > 95
Dimmable Triac/ELV/0-10V

Specifications Composition B:

3 modules - 6 crystals
12 replaceable LEDs - 24V DC
Flux: 3552 lm - 36 W • 2.700 K - CRI > 95
Dimmable Triac/ELV/0-10V

Specifications Composition C:

4 modules - 6 crystals
8 replaceable LEDs - 24V DC
Flux: 3552 lm - 36 W • 2.700 K - CRI > 95
Dimmable Triac/ELV/0-10V

Specifications Composition D:

5 modules - 7 crystals
14 replaceable LEDs - 24V DC
Flux: 4144 lm - 42 W • 2.700 K - CRI > 95
Dimmable Triac/ELV/0-10V

Specifications Composition E:

6 modules - 9 crystals
18 replaceable LEDs - 24V DC
Flux: 5328 lm - 54 W • 2.700 K - CRI > 95
Dimmable Triac/ELV/0-10V

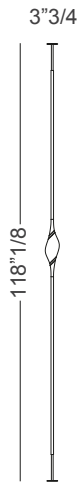

Il Pezzo 12

Dimensions

1 module/1 crystal: 3³/₄W x 118¹/₈H
 1 module/2 crystals: 3³/₄W x 118¹/₈H
 Composition A: 17³/₄W x 118¹/₈H
 Composition B: 31¹/₂W x 118¹/₈H

Composition C: 45¹/₄W x 118¹/₈H
 Composition D: 59"W x 118¹/₈H
 Composition E: 72⁷/₈W x 118¹/₈H
