## *Description*

The Franklin U Shaped Sectional is created for those who love to live and host in style. With its expansive U-shaped layout, this sofa becomes the natural center of the room, inviting people to gather, relax, and connect. Its soft, embracing lines and contemporary design give it a refined presence that enhances both modern and classic interiors. Designed with comfort at its core, the Franklin U Shaped Sectional offers deep seating and plush cushions that make every moment feel indulgent. The generous configuration provides ample space for family and guests, while the carefully tailored upholstery and refined finishes convey a sense of quiet luxury. It is a statement piece that balances visual elegance with everyday livability.

Perfect for large living rooms and open-plan spaces, the Franklin U Shaped Sectional delivers designer style, premium comfort, and versatile appeal. It is an ideal choice for anyone seeking a luxury sectional sofa that combines sophisticated design, welcoming proportions, and long-lasting quality. Made in Italy.
