

Franklin

Design: Carlo Bimbi

Description

The Franklin L-shaped sectional in 4 and 5 seater configurations is designed to transform the living area into a welcoming, high-end lounge space. Generous proportions, soft enveloping lines, and a contemporary Italian design give this sectional a refined presence that elevates any interior. Its L shape naturally defines the room, creating a comfortable setting for conversation, relaxation, and entertaining. Engineered with a solid wood and poplar plywood structure, the Franklin sectional offers durability paired with deep, plush comfort. The cushions are designed to feel inviting and supportive, delivering the kind of everyday luxury expected in premium furniture. Tailored upholstery, elegant piping, and carefully crafted details enhance its sophisticated look. Perfect for modern homes, luxury apartments, and hospitality projects, the Franklin 4 and 5 seater L-shaped sectionals provide both style and function. They maximize seating while maintaining a light, elegant aesthetic, making them ideal for those seeking a designer sectional sofa that combines comfort, quality materials, and timeless Italian style. Made in Italy.
