Description

The Franklin sofa translates the signature comfort of the Franklin collection into elegant, ready-to-place seating for contemporary interiors. Defined by soft, enveloping lines and a modern Italian design language, these sofas bring a relaxed yet refined look to living rooms, lounges, and hospitality settings. Built with a solid wood and poplar plywood structure, the Franklin sofas are designed for durability and daily comfort. Deep cushioning and feather-enhanced padding create a plush, welcoming seat, while the tailored upholstery and refined detailing express high-end craftsmanship. The 2 seater is available in four different sizes, offering flexible solutions for both compact and spacious layouts, while the 3 seater provides generous seating with the same balanced proportions and comfort. Ideal for luxury residential projects and premium interior design schemes, the Franklin 2 seater and 3 seater sofas combine designer aesthetics, modular spirit, and long-lasting comfort. They are a natural choice for those seeking a modern luxury sofa with Italian style and versatile sizing options. Made in Italy.
