

Betty

Design: Giorgio Bonaguro

Description

Betty is a generously sized padded lounge chair designed to deliver exceptional comfort and timeless sophistication. Its defining feature is the enveloping backrest, which gently curves to form two integrated armrests, creating a cozy and supportive seating experience. The soft, rounded shapes are enhanced by a gracefully curved wooden base, adding warmth and refined craftsmanship to its contemporary silhouette.

Paired with a matching footrest, the design creates a harmonious ensemble that invites relaxation in living rooms, reading corners, or elegant lounge areas. Inspired by the effortless style of Betty Catroux, muse of Yves Saint Laurent, Betty embodies a sense of understated luxury and enduring elegance that transcends trends. Upholstered in premium fabrics or refined leather, this modern armchair is a statement of comfort, design, and sophisticated living. Made in Italy.
