

Imperial

Design: Carpanese Home

Description

Imperial is a striking fixed dining table that combines bold geometry, transparent surfaces, and luxurious materials to create a true centerpiece for contemporary interiors. Available in round or rectangular versions, it features sculptural cylindrical bases crafted in Vitroflex, enriched with stitched leather padding and refined painted metal bands, an unexpected yet harmonious blend of textures and finishes.

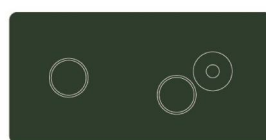

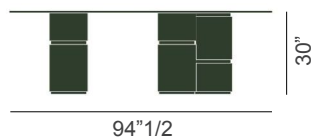

The bronzed tempered glass top enhances the table's lightness while revealing the architectural beauty of the bases beneath, generating captivating reflections and patterns. Wood and metal details finished in satin brass, bronze, or galvanic gold add an extra layer of sophistication. With its refined craftsmanship and distinctive design, Imperial embodies modern elegance and makes a powerful statement in any dining room. Made in Italy.
