

Doma Chandelier

Design: Massimo Tonetto

Description

The elegant Doma Chandelier Lamp is characterized by its suspended forms, designed to enhance large indoor environments with a strong yet balanced presence. Tubular metal arms extend outward from the structure, supporting eight bell-shaped Murano glass shades that diffuse soft, indirect light throughout the surrounding space.

The chandelier's composition emphasizes both structure and lightness, creating an even and atmospheric illumination. The Linear Version is also available, ensuring versatility across different interior settings. UL Wired Certification. Made in Italy.

Finishes & Materials

Structure: Metal
Shade: Glass

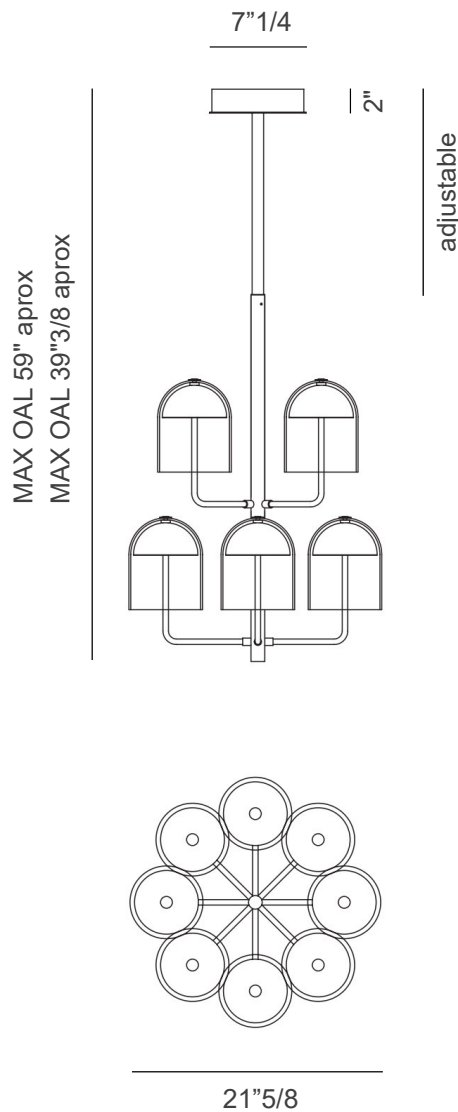

Doma Chandelier

Dimensions

Size A: Ø21"5/8 x H(Adjustable: min: 39"3/8, max: 59")

Size B: 35"7/8W x 21"5/8D x H(Adjustable: min: 39"3/8, max: 59")

Size A: Standard Doma Chandelier

Function: Suspension

Location: Interior

Light Emission: Downlight

Light Source: 8 x 7W 350mA 1120Lm

Light Temperature: 2700K

CRI: >80

Energy Efficiency: D

Rated Voltage: 110V

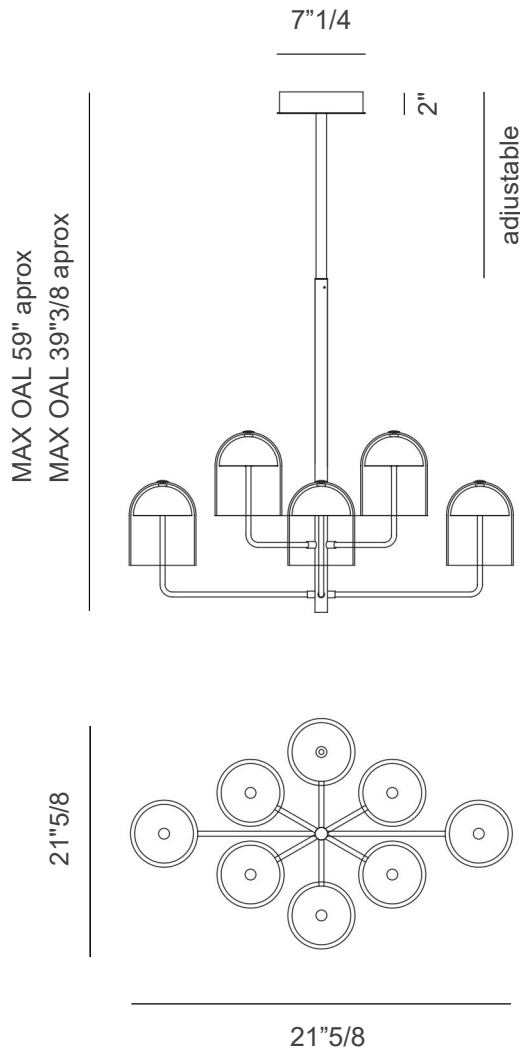

Frequency: 50-60Hz

Supply: Terminal Block

Ballast: Ballast Included

Doma Chandelier

Size B: Linear Doma Chandelier

Function: Suspension
Location: Interior
Light Emission: Downlight
Light Source: 8 x 7W 350mA 1120Lm
Light Temperature: 2700K
CRI: >80
Energy Efficiency: D
Rated Voltage: 110V
Frequency: 50-60Hz
Supply: Terminal Block
Ballast: Ballast Included
