

# Kitami LED Suspension Lamp

*Design: Massimo Tonetto*

## *Description*

The contemporary Kitami LED Suspension Lamp is defined by orthogonal lines that intersect in a clear and striking construction, shaped by the crossing of tubular forms. Geometric and essential in its expression, the design integrates LED inserts directly into the rods, generating a sharp, directional light that runs along the metal profiles. The structure conveys a dynamic balance of precision, solidity, and controlled geometry. UL Wired Certification.

## *Finishes & Materials*

**Structure:** Metal

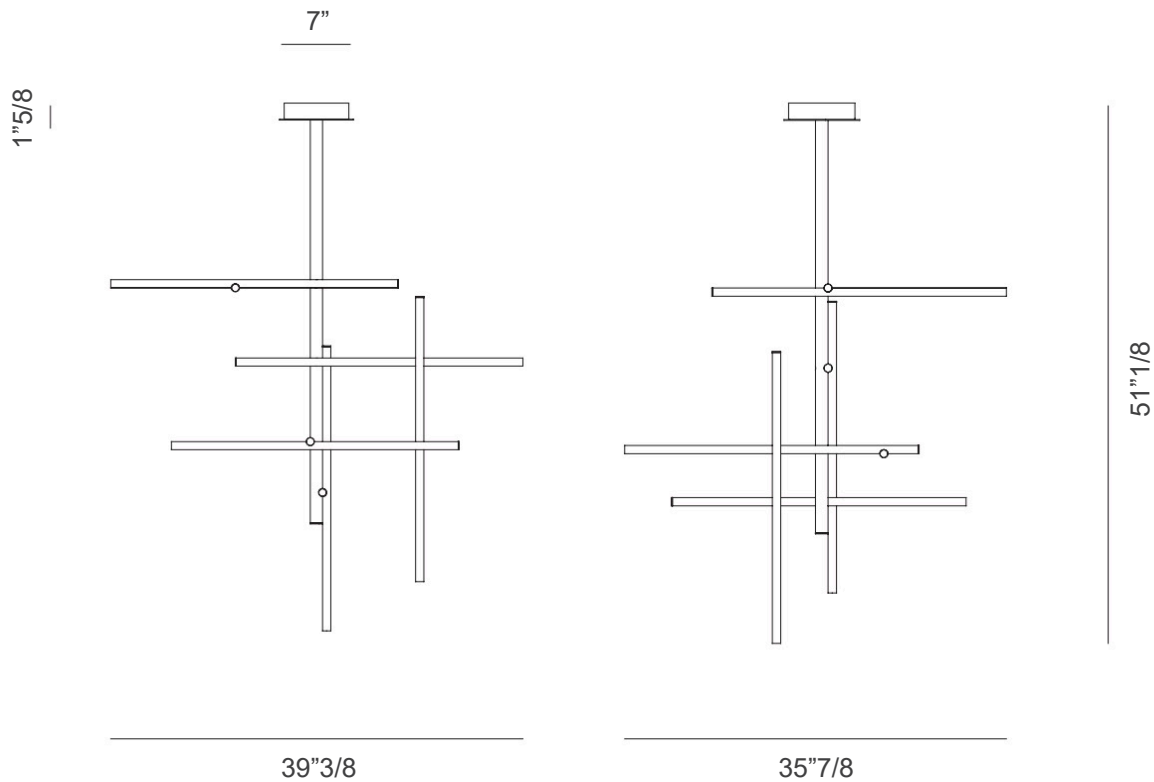

## *Kitami Suspension*

---

### *Dimensions*

**Size:** 39"3/8W x 35"7/8D x 51"1/8H

### *Model: Kitami LED Suspension Lamp*

**Function:** Suspension  
**Location:** Interior  
**Light Emission:** Diffused Light  
**Light Source:** STRIP LED 11,5W/m 2700K, 2000 Lm/m CRI: 90+24Vdc, TOT= 29W  
5000Lm  
**Rated Voltage:** 110V  
**Frequency:** 50-60Hz  
**Supply:** Terminal Block  
**Ballast:** Ballast Included  
**IP:** 20
