

# Onika

*Design: Lato X Lato*

## *Description*

Onika is a distinctive lounge chair that blends soft and structured lines, bringing a refined touch of ethnic elegance to interior spaces. Its design balances the warmth of natural elements with a more defined architectural presence, creating a visually striking composition that reflects the essence of contemporary designer furniture.

The piece combines the softness of its upholstery with the rigor of solid wood, finished to enhance the natural grain and authenticity of the material. Subtle gilded details connect the elements, adding a sophisticated accent that elevates the overall silhouette. This harmonious contrast of textures and finishes highlights the craftsmanship and material richness associated with luxury Italian furniture, where tradition and modern design coexist.

Versatile and expressive, Onika is designed to enrich a variety of interiors, adding depth and character to any space. Perfect for curated environments and refined luxury home furniture settings, it stands out as a decorative yet functional element that embodies elegance, personality, and timeless design.

Made in Italy.
