*Design: Giuseppe Carpanelli*

### *Description*

This nightstand is defined by its soft, rounded silhouette and understated elegance, reflecting the refined craftsmanship expected from a premium luxury furniture brand. Its clean and harmonious lines create a sophisticated presence, making it a perfect addition to contemporary bedrooms that value both comfort and aesthetic balance.

The design is further elevated by a refined travertine marble top that adds natural texture and timeless sophistication. Inside, the structure reveals warm walnut wood, creating a beautiful character typical of luxury Italian furniture.

Practical as well as elegant, the nightstand table features a spacious drawer equipped with a soft-close mechanism for smooth and quiet operation. Combining refined materials, thoughtful functionality, and elegant proportions, it fits seamlessly into sophisticated luxury home furniture interiors, enhancing the bedroom with subtle luxury and timeless style.

Made in Italy.
