

Ara

Design: Giuseppe Carpanelli

Description

The Ara lounge chair combines refined comfort with the timeless elegance of luxury Italian furniture, offering a sophisticated seating solution for contemporary interiors. Its clean, balanced silhouette highlights a harmonious blend of soft upholstery and natural materials, creating a piece that feels both inviting and visually elegant.

Built with an internal wooden structure and multi-density polyurethane padding, the lounge chair is designed to provide exceptional comfort and lasting support. The solid wood feet add warmth and artisanal character, enhancing the refined craftsmanship typical of a premium luxury furniture brand. Upholstery is available in a wide range of luxurious finishes allowing for versatile customization to suit different interior styles.

Elegant and versatile, the Ara lounge chair integrates beautifully into sophisticated family room furniture settings as well as refined living spaces. Its combination of premium materials, tailored upholstery, and balanced proportions reflects the understated luxury and craftsmanship that define high-end Italian design.
