

## Grantour

*Design: Giuseppe Carpanelli*

### *Description*

The Grantour sofa is defined by its soft, sinuous silhouette, designed to create an elegant focal point within refined interiors. Its fluid lines and sculptural presence allow the piece to be beautifully positioned at the center of the room, enhancing the space with the sophisticated character expected from a true luxury furniture brand.

Carefully crafted with attention to comfort and aesthetics, the sofa offers generous seating while maintaining a graceful and contemporary profile. Its refined proportions and premium upholstery options reflect the elegance and quality associated with luxury home furniture, making it an ideal choice for sophisticated living environments.

Available in two-, three-, and four-seater configurations, the Grantour sofa adapts effortlessly to different interior layouts. Perfect for elegant living room sets, it combines comfort, versatility, and timeless Italian design to elevate modern living spaces with understated luxury.

Made in Italy.
