

Zebrano

Description

The Zebrano desk is a refined expression of classic designer furniture, distinguished by its elegant proportions and sophisticated architectural composition. Its solid wood structure is enriched with a harmonious combination of fine veneers, creating a rich interplay of tones and textures that enhances the depth and visual character of the piece.

A defining feature of the design is its cylindrical body, which houses four spacious drawers along with two discreet, extractable shelves seamlessly integrated within the structure. The base and upper elements are carefully detailed with contrasting woods and delicate inlay filleting, showcasing the meticulous craftsmanship and decorative precision that define luxury Italian furniture. This thoughtful composition blends functionality with ornamental refinement, elevating the desk into a true statement piece.

Available entirely in wood or with an elegant glass top, the Zebrano desk offers versatility while maintaining its timeless aesthetic. Ideal for refined interiors and curated luxury home furniture environments, it combines practicality, craftsmanship, and classical elegance in a design that reflects enduring Italian tradition.

Made in Italy.
