## Description

Slow is a refined 2- and 3-seater sofa defined by generous proportions, rounded lines, and a harmonious architectural presence. Crafted with a wooden structure in EPA-certified plywood, fir, and hardboard, it features open-cell polyurethane padding and Dacron wadding for superior comfort, supported by elastic strap suspension. The softly rounded backrests are elegantly sustained by exposed ash wood or lacquered fibreboard supports, adding a distinctive graphic accent to its enveloping silhouette.

Designed for contemporary living spaces, Slow balances sculptural elegance with everyday functionality. Upholstered in premium leather, natural fabrics, or soft wools, it offers extensive customization to complement the ash wood or lacquered finishes. Available as a 2- or 3-seater, this designer sofa delivers timeless comfort, refined craftsmanship, and modern Italian style in a perfectly proportioned format. Made in Italy.
