Gast Sectional Sofa

Design: Luis Arrivillaga

Description

The Gast Sectional Sofa, combines a warm and welcoming character with a design that blends classic inspiration and contemporary interpretation. Its aesthetic recalls the elegance of early 1900s sofas while subtly referencing the ironic tone of 1960s upholstered furniture. Conceived as a flexible seating system, the elegant Gast Sectional Sofa offers multiple compositional possibilities that respond to contemporary interior design trends. Its balanced proportions and refined design make it suitable for both residential and contract environments.
