

Wilton Sectional Sofa

Design: Christophe Pillet

Description

Wilton is a contemporary collection of Sectional Sofas defined by a clean, geometric shell with softly curved lines, reminiscent of a folded origami form. The structured exterior contrasts with the soft, generous interior, creating a balance between precision and comfort. Designed for contemporary and elegant living spaces, the neat Wilton Sectional Sofas offers generous volumes and carefully proportioned cushions that encourage relaxation. Decorative and Armrest Cushions not included.
