

# RNBT 02

*Design: Norah Creative Lab FM*

## *Description*

The RNBT 02 round bathtub by Norah Design reimagines the traditional bathing ritual through the lens of pure, sculptural geometry. While maintaining a circular footprint, the RNBT 02 is distinguished by its specific proportions and softened vertical profile, creating an enveloping "well" of relaxation that serves as a high-end architectural anchor for the modern bathroom.

## *Finishes & Materials*
