

Burlesque Oval

Design: Patrizia Garganti

Description

The Burlesque Oval Chandelier reinterprets the collection's signature elegance through a refined, elongated silhouette. Draped with delicate strands of pearls, the structure is softly veiled, allowing light to filter through with a subtle, sensual glow. The oval form enhances its presence, making it ideal for dining areas and statement spaces where balance and proportion are essential. Available in two sizes, with 12 or 24 lights, it offers versatility while maintaining a strong visual identity, expressing a sophisticated and mysterious vision of glamour. Made in Italy.

Light bulbs not included.
