

## ECOS

*Design: Renato Toso, Noti Massari & Associati*

### *Description*

The Ecos Ceiling Lamp is a modular lighting system defined by the repetition of hand-blown Murano glass rings. Each ring features a Rigadin (striped) texture, which creates a sophisticated, shimmering light effect through the refraction of the glass. The fixture is constructed with a high-quality metal frame available in glossy chrome or satin bronze. This Italian-made ceiling light is cETLus listed and IP20 rated, offering a blend of traditional Venetian craftsmanship and technical flexibility for luxury residential or commercial projects.

**Light source:** E26 light bulbs, 3 for Size A and 5 for Size B

**Dimmer:** Dimmed with a “phase cut” system (DIM 1)

### *Dimensions*

**Size A:** Ø23"5/8 x 13"3/4H

**Size B:** Ø33"3/8 x 18"1/8H

### *Finishes and materials*

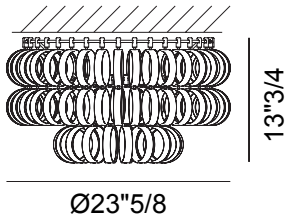

**Frame:** Metal.

**Diffuser:** Glass.
