

# Giogali

*Design: Angelo Mangiarotti*

## *Description*

The Giogali Ceiling Lamp is a modular lighting system featuring a flush-mount steel structure that supports a dense, shimmering diffuser made of handcrafted Murano glass hooks. These individual crystal elements interlink without a frame, creating a rhythmic and brilliant play of light. Available in five distinct configurations the system offers a scalable solution for varying architectural scales. This Italian-made masterpiece is UL/ETL listed and IP20 rated, providing a prestigious decorative solution for luxury residential and hospitality projects that require a sophisticated, low-profile alternative to the traditional chandelier.

**Light source:** E26 light bulbs, 2 for Size A, 4 for Size B, C and D, and 5 for Size E

**Dimmer:** Dimmed with a “phase cut” system (DIM 1)
