

Implode

Design: Gregorio Spini

Description

The Implode Suspension Lamp is a high-density lighting fixture characterized by a gradated blown glass diffuser. Using a specialized layering technique, the Murano glass shade transitions from an opaque white core to a transparent crystal edge, creating a fully diffused ambient light with a unique “liquid” visual quality. The fixture is mounted on a glossy white metal structure and is available in three diameters. Made in Italy.

Light source: LED 0 - 26W - 3700lm or LED B - 9W - 1200lm

Dimmer: “Phase cut” system (DIM2) or 0-10V / 1-10V / PUSH (DIM3)

Dimensions

Size A: Ø6"1/4 x 6"H

Size B: Ø19"5/8 x 9"7/8H

Tensor & Canopy: Max. 78"3/4

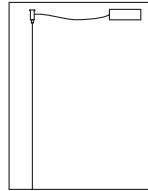

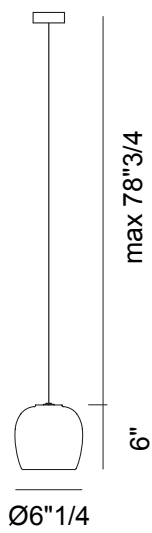

Finishes and materials

Frame: Metal.

Diffuser: Glass.
