Design: Pio & Tito Toso

Description

The Oto SP PEA series is a vertical modular lighting system composed of stacked spherical mouth-blown glass diffusers with a traditional Rigadin (ridged) texture. This specialized glasswork is engineered to diffuse light through multiple crystalline layers, creating a sophisticated and elongated ambient glow. Mounted on a satin nickel structure. This Italian-made suspension lamp is UL listed and IP20 rated, serving as a premium decorative solution for architectural spaces that require a bold, vertical lighting statement. Made in Italy.
