

Oto

Design: Pio & Tito Toso

Description

The Oto Multi-Light Suspension series consists of architectural lighting clusters featuring spherical mouth-blown glass diffusers with a traditional Rigadin (ridged) texture. These systems are designed for high-impact decorative use, employing specialized canopies to create cascading “rain” or volumetric “cloud” effects. Supported by steel structures available in White, Satin Nickel, or Mirrored finishes, the collection offers various canopy geometries to accommodate specific spatial requirements. This Italian-made system is cETLus listed and IP20 rated, providing a scalable and prestigious lighting solution for luxury residential foyers and commercial hospitality grand spaces. Made in Italy.

Light source: G9 60W Light bulbs.

Dimmer: “Phase cut” system (DIM1)

Dimensions

Size A: Ø55"1/8 x 11"7/8H

Size B: Ø21"5/8 x 47"1/4H

Size C: Ø23"5/8 x 63"H

Size D: Ø32"1/4 x 98"3/8H

Size E: 42"1/2W x 42"1/2D x 11"7/8H

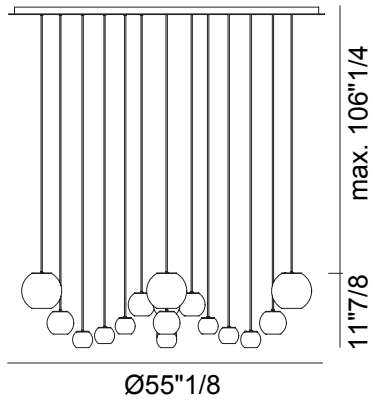

Finishes and materials

Frame: Metal.

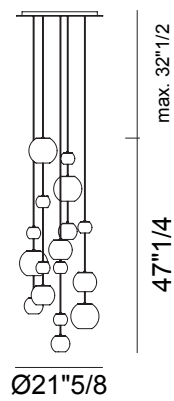

Diffuser: Glass.
