

Oto

Design: Pio & Tito Toso

Description

The Oto Suspension Lamp is a modular lighting system characterized by spherical mouth-blown glass diffusers with a traditional Rigadin (ridged) texture. This surface treatment is engineered to catch and refract light, providing a brilliant ambient glow while allowing for the unique vertical stacking of multiple glass elements. The fixture is suspended from a low-profile metal canopy available in Satin Nickel or White finishes. This Italian-made pendant is UL listed and IP20 rated, offering a scalable and highly customizable decorative solution for premium residential and commercial lighting designs. Made in Italy.

Light source: G9 - 1x 60W

Dimmer: "Phase cut" system (DIM1)

Dimensions

Size A: Ø4"3/4 x 4"H

Size B: Ø6" x 4"3/4H

Size C: Ø7" x 6"1/4H

Tensor & Canopy: Max. 78"3/4

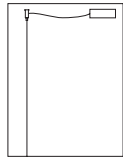

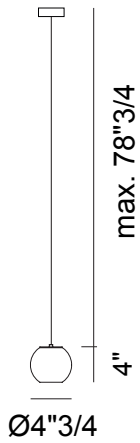

Finishes and materials

Frame: Metal.

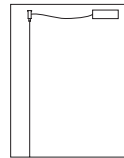

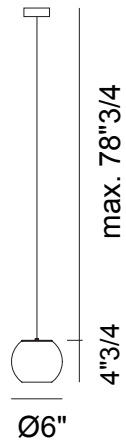

Diffuser: Glass.
