

Rina

Design: Barbara Maggiolo

Description

The Rina Suspension Lamp is a nature-inspired design featuring a spherical hand-blown glass diffuser created using the traditional Murano murrine technique. This artisanal process embeds small, translucent white glass elements into the crystal to create a textured, organic pattern that mimics a dandelion seed head, providing a soft and speckled ambient light. The fixture is suspended from a satin nickel metal canopy and is available in four diameters. This Italian-made collection is cETLus listed, IP20 rated, and supports multiple dimming protocols, ensuring a blend of heritage craftsmanship and modern technical precision for luxury residential and hospitality specifications.

Light source: LED B 9W 1200lm for Size A | LED C 12W 1600lm for Size B | LED 26 16W 2000lm for Size C and D

Dimmer: "Phase cut" system (DIM2) or (0-10V / 1-10V / PUSH) (DIM3)

Dimensions

Size A: Ø6"1/4 x 6"H

Size B: Ø9"7/8 x 9"H

Size C: Ø13"3/4 x 14"1/2H

Size D: Ø16"1/2 x 17"3/4H

Tensor & Canopy: Max. 78"3/4

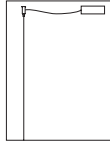

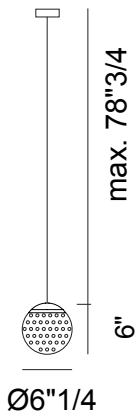

Finishes and materials

Frame: Metal.

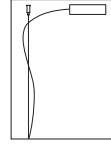

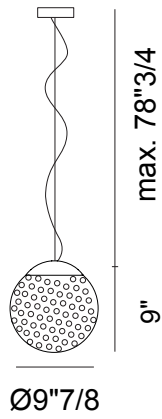

Diffuser: Glass.
