

Brando

Design: Pier Luigi Frighetto

Description

The Brando lounge chair combines durability with a welcoming silhouette, creating a piece that enhances interiors with understated luxury. Its balanced proportions and timeless appeal position it within the world of premium luxury home furniture designed for both comfort and style.

The rounded volumes of the seat and backrest create a harmonious contrast with the clean structural lines, resulting in a refined yet relaxed visual presence. This careful interplay of comfort and design reflects the standards associated with curated luxury furniture collection pieces.

Versatile and inviting, the Brando lounge chair integrates seamlessly into living rooms, reading corners, or sophisticated hospitality settings. With its timeless character and premium construction, it enhances contemporary interiors and works beautifully alongside refined family room furniture.

Made in Italy.
