

Elena Sofia

Design: Pier Luigi Frighetto

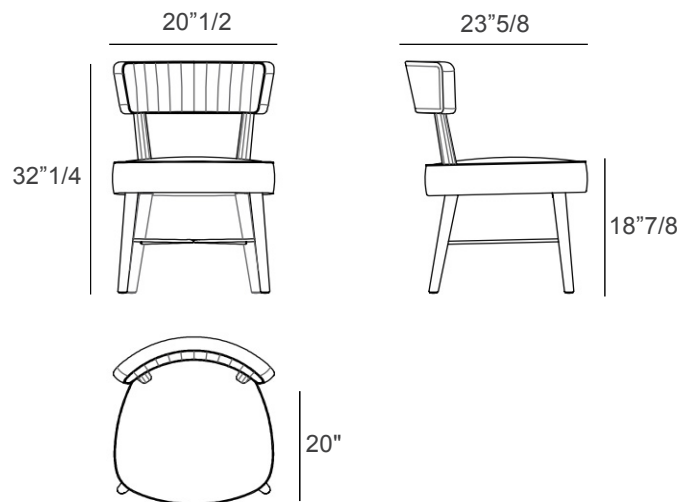

Description

Its balanced silhouette and tailored proportions create a graceful presence that complements distinguished tables and curated interiors. The padded seat ensures lasting comfort, while the backrest rises with delicate austerity, enriched by refined ribbed stitching that adds texture and visual depth. The thoughtful craftsmanship and elegant composition align Elena Sofia with high-quality designer furniture created for both beauty and functionality. A distinctive cross-bar detail introduces character and structural balance, completing a design defined by precision and proportion. Made in Italy.
