

Elliot

Design: Pier Luigi Frighetto

Description

The Elliot coffee table evokes a refined dance of balanced forms, creating an immediate impression of elegance and visual harmony. Its sculptural composition blends practicality with sophistication, transforming a functional surface into a distinctive centerpiece. Designed to enhance refined interiors, it reflects the aesthetic values associated with premium luxury furniture collection pieces that prioritize both style and versatility.

Its harmonious proportions allow the table to interact naturally with surrounding seating, offering flexibility for a variety of layouts. The design balances an austere presence with an informal character, resulting in a fluid and welcoming aesthetic. This thoughtful approach positions the Elliot coffee table among curated designer furniture elements that elevate contemporary living environments.

Versatile and elegant, the coffee table adapts effortlessly to residential and contract spaces alike. Whether placed at the center of a seating arrangement or paired with complementary pieces, it enhances the room with understated sophistication. Its refined character makes it a natural addition to modern living room furniture sets, bringing cohesion and timeless appeal. Made in Italy.
