

Elliot

Design: Pier Luigi Frighetto

Description

The Elliot side table in its all-metal version highlights a refined interplay of shapes through a sleek and sculptural presence. Its clean, cohesive structure enhances the perception of lightness while maintaining a strong architectural identity. This elegant interpretation reinforces its role as a sophisticated accent piece, aligning with the standards of premium luxury home furniture designed to elevate interiors with subtle distinction.

The compact proportions allow the table to integrate seamlessly beside seating, functioning as both a practical surface and a decorative element. The uniform materiality emphasizes its minimalist character, creating visual continuity and a modern aesthetic. This balanced approach reflects the sensibility of curated luxury brand furniture, conceived for flexible and contemporary living environments.

Ideal for living areas, lounges, or hospitality settings, the all-metal Elliot side table introduces understated sophistication to a variety of spaces. Its sculptural silhouette complements sofas, armchairs, or beds with effortless elegance, enhancing the surrounding composition. With its timeless appeal, it integrates naturally into refined family room furniture arrangements, adding depth and a polished, contemporary touch. Made in Italy.
