

# Opera

*Design: Enrico Pasa*

## *Description*

Opera is a sophisticated expression of refined raw materials, masterfully shaped into harmonious and distinctive forms. The bold combination of precious stone and natural wood creates a striking visual contrast, resulting in a piece that embodies the essence of luxury Italian furniture with timeless elegance and a premium presence.

Its design is defined by a perfect balance of proportions, where each element is thoughtfully composed to achieve a seamless dialogue between textures and finishes. The richness of the materials is elevated by meticulous craftsmanship, giving the table a sculptural quality that stands out within any luxury furniture collection.

With its strong yet elegant character, Opera brings a sense of rigor, prestige, and refinement to the space it inhabits. Ideal for sophisticated interiors, it enhances the atmosphere as a centerpiece within curated living room furniture sets, offering both visual impact and enduring style.

Made in Italy.
