

## Alma

### *Description*

Alma transforms light into a poetic and refined presence, where sculptural forms meet delicate materials to create a harmonious visual composition. Blown glass and pleated fabric diffusers blend effortlessly, shaping a collection that brings softness and elegance to interiors. The collection stands out for its graceful silhouettes and subtle color palette, which together redefine the perception of light within a room. Each piece becomes both a functional element and a decorative statement, enhancing interiors with depth and character. Distinctive yet versatile, Alma creates welcoming and refined settings through its layered illumination and sculptural presence. The distinctive versions Aura, Lume, and Nova are equipped with three steel cables that ensure perfect balance and visual lightness in suspension. An optional extended cable is also available, offering additional flexibility for different ceiling heights and installation needs.

Made in Italy.

**Light source:** 1 x 16W - LED module - 2.280 Lm - 2700 K - CRI: >90 - TRIAC dimmer
