

Alma

Description

Alma table lamp transforms light into a poetic presence, combining sculptural elegance with refined materials in a compact and sophisticated form. Blown glass and pleated fabric diffusers blend harmoniously, creating a soft, layered illumination that enhances the surrounding space.

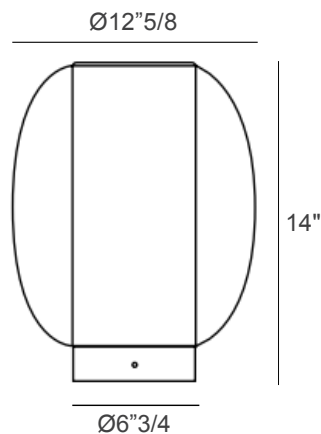

The sculptural silhouette and delicate tones create a light yet impactful presence, making the lamp ideal for bedside tables, consoles, or desks. Alma Totem functions both as a luminous source and as a decorative element, enriching interiors with warmth and subtle personality. Engineered to complement its internal geometry, this technical precision enhances visual continuity while maintaining a clean and elegant appearance. It features a dark brown fabric cable with 78"3/4 of length.

Made in Italy.

Light source: 1 x 16W – LED module – 2280 Lm – 2700 K – CRI: >90 – Dimmer on board

Dimensions

Ø12"5/8 x 14"H
